

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 1086 - SB 930**

February 28, 2011

**SUMMARY OF BILL:** Authorizes the City of Goodlettsville to hold a referendum in the portion of the city located in Sumner County on whether to authorize retail package stores to sell alcoholic beverages.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

**Assumptions:**

- A petition will be filed with the City of Goodlettsville calling upon the legislative body to conduct an election of the qualified voters within the affected portion of the city on the question of whether to permit retail package stores to sell alcoholic beverages.
- The election will be held at the next regularly scheduled election.
- This note makes no assumption as to whether the referendum will pass and therefore does not account for any increased revenue or expenditures resulting from the sale of alcoholic beverages. The Alcoholic Beverage Commission assumes that if the referendum passes at least one retail liquor store will be licensed in that portion of the municipality located in Sumner County. Each applicant will pay the one-time \$300 application fee and an \$850 annual license fee. The increase in the number of \$20 retail employee permit cards for each establishment is unknown. Local government could set a municipal inspection fee for each establishment. The increase in sales tax revenue for each establishment is unknown.
